# Disciplemaking Pathways

**Leaders following Jesus in building disciplemaking movements**

**Tandem Ministries invites your church to participate in a programme designed to support your church's discipleship efforts.**

**Join leadership peers in exploring a disciplemaking framework centred on the life of Christ, focusing on His movement building principles.**

SHIFTm2M is a journey to discover the foundation of what Christ is calling leaders to be and what He asks leaders to build as His followers. Centred around the gospels and a deep dive into the life of Christ, SHIFTm2M courses consist of study, training, discussion, and evaluation. There are eight days of content usually split over four retreats.

## Who is SHIFTm2M For?

SHIFTm2M is designed for leaders who have a desire to build disciplemaking movements using principles from the life of Christ. A Shift group is ideal for pastors and Christian leaders who are seeking to create an environment that helps people connect with Jesus for the first time right through to becoming a multiplying disciplemaker.

One of the most appreciated aspects of Shift is that it provides a forum for interacting with others who are facing similar challenges. SHIFTm2M creates a space where leaders can bounce ideas around, learn, and share their experiences to help others.

Examples of SHIFTm2M participants include denominational leaders, pastors, youth pastors, missionaries, non-profit leaders, people involved in Christian tertiary education, and Christian schools.

## What's included in Shift?

- 50 day self-guided chronological study through the life of Christ with supplemental podcasts and videos shot on location in Israel.
- 8 Days of face-to-face retreat time with other Christian leaders to explore Jesus' disciplemaking movement principles and how they apply in your context.
- Opportunity to participate alongside other church leaders, as well ongoing coaching.
- Resources that equip: Harmony, 4-Chair Disciplemaking, Training Manual, Knowing Him 50 Day study

"We have made SHIFTm2M one of two practical core trainings for our Emerging Leaders program because our aim is to have leaders equipped in ministry to 'think' movements, to 'live' as disciple-makers, and 'be' kingdom minded.

Andrew Hodgson
Emerging Leaders Coordinator
Christian Community Churches, Victoria and Tasmania

## Cost = Registration + Retreat costs

**Registration**: There is a one-off SHIFTm2M registration fee of $500 which cover materials and training.
**Retreats**: In addition the SHIFTm2M registration fee, each retreat is paid for separately depending on the venue, catering, and accommodation (if needed)
